Not everyone can adopt a greyhound but you can still help them to enjoy their retirement. Because the Retired Greyhound Trust will never destroy a healthy greyhound, we have some who will stay at our kennels for a long time.

Would you consider sponsoring one of the longstayers pictured opposite?

A small regular donation will help us keep these ex-athletes in tasty bones and comfy kennels!

Sponsors enjoy a number of benefits including a profile of their dog, a personal certificate and an exclusive enamel badge. This is an ideal gift for a friend or loved one.

Give a greyhound a smile. Your help could really make a difference.
